Bridge Commissioner was ordered OPPOSITE MARTIN'S HOTEL, to let contracts for bridges as tollows: On Cuivre creek at crossing of Martinsburg and Laddonia road; on Beaver Dam at Newkirk's crossing; on Young's Creek at Naylor's; on Saling creek at Owens'; on East Lick

at Vandslia and Mexico road. Ta Ta!

Our readers will remember that a couple of weeks ago, we stuck a pin into the gas bag of the Whitehall Register, because he misrepresented Audrain county and the State of Missouri. Johnson still sticks to his false statements-just the same as a sick kitten to a warm brick. He statementt at all, and refuses to come over and be shown the garden spot of the world simply because some man in Missouri owes him for "eight years subscription to his paper." We have not time to bandy words with small men on any subject, but must be allowed to say that the so-called subscriber is dead. In the first place he did not subscribe for the paper himself. He moved to Missouri to live, and an enemy of his in Whitehall, Ill., sent him a copy of Johnson's paper. It had the desired effect. In three months the man died. Coroner's verdict: "Died from reading the Whitehall Register." The paper still comes on, and the man has been dead seven years, and is now where all of the Whitehall Register's readers will go. The Register man can present his account with interest some day if he will have it made out on a sheet-iron bill head.

Mr. Upton, assistant Secretary of the Treasury, a leading Republican, is on the raged edge of trouble. He defrauded the government of \$59,000. He has handed in his resignation. It may be remarked that Mr. Upton was raised and educated in the State of New Hampshire, where the people are moral and loyal and where there are no such outlaws as the James boys to demoralize society.

Tom Hughes and Frank Smith, passenger conductors on the C. & A. R. R., are East "doing" the watering places. Tom and Frank are dandy mashers, and very popular among the girls. Our New York correspondent say's the b'hoys are mowing a wide "swarth." They are putting the bouquets presented to them on ice, and will bring them home in a special car.

One night last week while Robert S. Davis was staying all night at Mr. Pulis' house in this county, a thief entered the house and stole his pants. Davis was in rather a bad box in the morning without any pants. He made out as well as he could by putting on his coat where his pants should have been. The thief got only a small amount of cash.

Col. Burch, who is getting up an interesting letter on Audrain, will furnish in this letter views of our court house square on stock sales day, of the residences of J. P. Clark, C. H. Hardin, C. W. Baker, Jas. Shell, R. E. Lawder, J. W. Booth, James Robinson, also of Pollock's mill, Reed's dairy barn and others.

During the past week we have visited nearly every town in the State on the Chicago and Alton Railroad distributing the Audrain Fair printing. No where did we find a more prosperous town than Mexico, or a better county than Audrain. The want of rain is felt all over the West.

Ed. Kendall has just purchased two mules from Jas. McFadin for \$200 two from D. W. Sumner, \$200; four from Sinclair Bros., \$200; one from Charles Creigh, \$150. He shipped one car load to Illinois last week.

Col. Burch has in process of engraving in Chicago several views of residences in this county, and is now pashing the writing up of his report on the county, and will probably conclude his entire work next week.

GOR KENDALL'S

Read Proof of Wonderful Cures.

FREMONT, O., Jan. 25, 1881.

DR. B. J. KENDALL & Co., Gents:—I think it my duty to render you my thanks for benefits and profits which I have derived from your invaluable and far famed Spavin Cure. My cousin and I had a valuable stallion worth 84,000 which had a very bad spavin, and was pronounced by four eminent veterinary surgeons beyond any cure, and that the horse was done forever. As a last resort I advised my cousin to try a bottle of Kendall's Spavid Cure. It had a magical effect, the third bottle cured it and the horse is as well as ever. Dr. Dick, of Edinburgh, the eminent veterinary surgeon, was an uncle of mine, and I take great interest in assisting his profession.

KENDALL'S SPAVIN CURE OF

HUMAN FLESH.

WEST ENOSDURGH, Vt., Feb. 15, 1881.

DR. B. J. KENDALL & Co., Gents:—Several months ago I injured my knee joint which caused an enlargement to grow the size of a large wainut, and caused me very much pain all the time for four or five weeks, when I began to use Kendall's Spavin ture with the most satisfactory results. It has completely removed the enlargement and stopped the lameness and pain. I have long known it to be excellent for borses, butnow I know it to be the best liniment for human flesh that I am acquaisted with. Yours truly,
